

How to Add CSOF to Your Estate Planning

Build Us Into Your Estate Plan

The easiest way to be a part of the 1% Legacy Society is to have the Colorado Springs Osteopathic Foundation put directly into your estate planning documents. Simply give your estate planning professional the information below and have it incorporated into the documents being prepared or updated.

I give to Colorado Springs Osteopathic Foundation (Tax ID Number: 84-0488554), whose current mailing address is P.O. Box 49577, Colorado Springs, CO 80949, one percent (1%) or more of my estate upon my death for:

- General Charitable Purposes
- Osteopathic Medical Student Scholarship Program
- Community Grant Program

The Colorado Springs Osteopathic Foundation is a private 501 (c)(3) 509a foundation. The Foundation's mission is to improve the health and well-being of our community consistent with its Osteopathic heritage. Through its Community Grant and Osteopathic Medical Student Scholarship programs, the Foundation strengthens the presence of Osteopathic medicine in our community.

Your bequest ensures the Colorado Springs Osteopathic Foundation will always be a vital part of the Colorado Springs community! Specific programs may come and go, but the value of Osteopathic medicine in the life of patients and our community never changes.

To say the Colorado Springs Osteopathic Foundation had an impact on my medical school education would be an understatement. The Foundation emphasized

and epitomized the pride I have being an osteopathic physician from Southern Colorado.

I hope that as I continue on to complete training in Orthopedic Surgery that one day I will return to Southern Colorado to practice and continue to support the mission and values that the Colorado Springs Osteopathic Foundation represents.

““ Joining the 1% Legacy Society makes sense for my long term financial planning and charitable giving plan. It allows me to continue to build my current portfolio and financial security, and ensures my gratitude toward my profession will be shown by giving back a percentage of my total assets without putting any stress on my current budget. ””

- **Alex Constantinides, D.O.**, Family Medicine Physician

““ The needs of our community's most vulnerable are very great. The Osteopathic Foundation has a track record of providing funds to small nonprofit organizations that provide services for these people. ””

- **Rob McDonald**, Retired Businessman/Community Volunteer

““ My son will be a fourth generation osteopathic physician. I am committed to helping the Colorado Springs Osteopathic Foundation stay a viable and dynamic organization. This 1% financial gift is a small but important token of my gratitude and respect for the profession that I love so much. ””

- **Lloyd Strode, D.O.**, Family Medicine Physician

““ Colorado Springs Osteopathic Foundation represents all of us, as well as the Osteopathic profession in this community. The Foundation provides aid to Osteopathic medical students and local charities with the goal of improving the health and well-being of the citizens of Colorado Springs. With your help, the Foundation will continue to grow and prosper. Please consider a planned gift of a small portion of your estate to ensure the viability of the Foundation, as well as your own legacy and that of the profession. ””

- **Daniel Tell, D.O.**, Medical Oncology/Hematology Physician
