The Year in Review

Our philanthropic Foundation is lean, mighty and mission-driven. We're able to achieve our objectives for several reasons: because our founders left us with an inspirational legacy; because we have thoughtful and grateful Board and committee leadership; and because of each of you who are engaged in our Foundation.

Many believe the myth that philanthropic work is easy. It is far from that. Selecting grantees and scholars is anything but easy—frankly, it shouldn't be, and doing it the right way requires asking a lot of questions, active listening and thoughtfully allocating the Foundation's dollars to make a positive impact on peoples' lives.

This past year, we were proud to award \$181,000 in grants to 14 charitable nonprofit organizations in El Paso and Teller counties, as well as \$101,000 in Osteopathic medical student scholarships to third and fourth-year medical students. We also implemented Foundant, an online grant management system that streamlines the grant submission process for the nonprofits and streamlines the review and evaluation process for our Grant Selection Advisory Committee. In addition, with your support, we conducted two successful community service projects that benefited Special Kids Special Families' Zach's Place and Teller Senior Coalition's Food Pantry. Holiday gifts were provided to children receiving care at Zach's Place and food and paper products were provided to Teller Senior Coalition's food pantry.

"Out of such pure and simple beginnings, grow great and wonderful things."

—Lenora Ashmore Blackiston

In the vibrant tapestry of life, the evolution of our Foundation is a testament to our enduring commitment to growth and adaptability. Our Foundation has seamlessly "woven tradition with innovation to meet the evolving needs and interests" of our members, grantees and scholars. As we reflect on our journey this past year, and how far we have advanced, we reaffirm this commitment and celebrate the exciting path that lies ahead, while looking forward to fresh perspectives and new opportunities to serve our community.

It is an honor and a privilege working along side you to achieve our mission. We are proud of our accomplishments and are excited about our direction moving forward.

Community Grant Awards

A total of \$181,000 was awarded in grants to 14 charitable nonprofit organizations during the July 1, 2023 to June 30, 2024 fiscal year including a multi-year award to Kidpower and discretionary award to The Gazette Charities Empty Stocking Fund. Grant awards focused on providing access to health and human services for vulnerable children, women and seniors. The Foundation is now using an online platform for grant submissions. For more information on the Foundation's Grant Program and application process visit the Foundation's website: csof.org or call 719-635-9057.

Discretionary grants were awarded to the **Gazette Charities Empty Stocking Fund** (\$1,000) and the **Youth Documentary Academy to support Youth Media Matters** (\$5,000) focusing on teen mental health, domestic abuse and prevention, and suicide prevention in El Paso County schools.

Community Impact: Westside CARES

Located at 2808 West Colorado Avenue, Westside CARES provides comprehensive services and referrals to people on El Paso County's westside. Its mission is "to provide care and compassion to their neighbors in need" through a nonprofit collaborative of 20+ interfaith communities in El Paso County. Among the services they provide are groceries, assistance with rent and utilities, clothing, hygiene items, a safe place to receive mail and health care. A nurse is available Monday

through Thursday from 9:30 a.m. to 12:30 p.m. to address general health concerns, prescriptions, co-pay assistance, some emergency dental care and some vision assistance. The Foundation's grant award of \$10,000 supported their direct health care services. Once a week on Mondays, in partnership with Food Trucks Against Homelessness, a hot meal is provided at Westside CARES. For more information about Westside CARES visit their website, www.westsidecares.org or call 719-389-0759.

CSOF Community Service Project

Two community service projects were conducted during the fiscal year. Holiday gifts for children at Zach's Place were provided by our Foundation's volunteer members. Foundation volunteer members also provided non-perishable food and paper products for clients of Teller Senior Coalition.

John H. Drabing, D.O., Osteopathic Medical Student Scholarship Program

A total of \$100,000 was awarded in tuition scholarships during the fiscal year. Scholarship recipients are selected in their second year of medical school. The scholarships are awarded for the recipients' third and fourth years. Recipients who receive a \$10,000 scholarship for their third year of Osteopathic medical school are automatically eligible to receive a scholarship for their fourth year if they remain in good standing. Five \$10,000 tuition scholarships were awarded to five third-year osteopathic medical students. Five fourth-year osteopathic medical students received their final scholarship awards in the amount of \$10,000 each.

Fund Development

Financial contributions to our Foundation are needed and valued as they enable our Foundation to grow and accomplish its mission in even greater ways. By partnering with our Foundation in fund development, you help ensure that the Foundation will be around for future generations of D.O.s, and with increased financial growth, we are able to award larger grants to benefit our community's most vulnerable populations. Together we can do more than we can individually to benefit our community.

Contributions to the Foundation come in many forms – cash, stocks, bonds, IRAs just to name a few. Contributions of any amount are appreciated. Gifts may be made online using the Foundation's secure website and contributions may be mailed to the Foundation at P.O. Box 49577, Colorado Springs, CO 80949.

1% Legacy Society

A 1% Legacy Society was established to encourage estate giving and to recognize estate gift donors. Estate gift donors may also remain anonymous if they wish. Some donors contribute from their estates during their lifetime so they can see the results of their gifts. Other donors contribute upon their death. The Foundation's 1% Legacy Society makes it easy for donors to meet their goals while making a significant impact on the Foundation.

Membership

Our philanthropic Foundation is unique in that it has member volunteers. Members are a valuable resource for the Foundation. They serve on committees (Grant Selection Advisory Committee, Scholarship Selection Advisory Committee, Finance & Investment Committee and Engagement Committee), the board and participate in "member" gatherings and community service projects. At the Foundation's annual member gathering, members elect new board members and may amend the Foundation's Articles of Incorporation. Volunteer members are Foundation ambassadors sharing the mission with friends, colleagues, neighbors and the community at large.

Our Board of Directors approves new member applicants at its quarterly board meetings. An application for membership may be downloaded from the Foundation's website at csof.org or call 719.635.9057 to have an application emailed or mailed to you.

Cynthia Lund, D.O., Board President, addresses volunteer members and guests at our November 2023 Bi-annual Gathering.

Who May Join the Foundation?

Anyone who has an interest in the Foundation, its mission and work may apply for volunteer membership. There are no dues.

Who We Are

Colorado Springs Osteopathic Foundation is a conversion foundation, originally established in August of 1984 as a 501 (c)(3) public charity from the sale of Eisenhower Osteopathic Hospital. In 2009 Colorado Springs Osteopathic Foundation transitioned to a private, non-operating philanthropic 501(c)(3) foundation. It's charitable mission lives on today by awarding grants to qualified health and human service nonprofit organizations in El Paso and Teller counties and awarding Osteopathic medical student scholarships, as well as collaborating with like-minded organizations to address community health issues. Learn more about our history and view a video of our region's osteopathic legacy at our website, csof.org.
